## **1. WHO MUST MAKE ESTIMATED PAYMENTS.**

Every taxpayer subject to the tax levied by Act 118 of 1929, as amended, except estates, shall make and file with the Commissioner of Revenue, Department of Finance and Administration, a declaration of the estimated tax for the income year if such taxpayer can reasonably expect the estimated tax to be more than \$1,000.00. Farming corporations are exempt under certain conditions. (Refer to General Instructions on page 4.)

## **2. WHEN AND WHERE TO FILE ESTIMATED PAYMENTS.**

- A. The declaration shall be filed with the Commissioner of Revenue, Department of Finance and Administration, on or before the 15<sup>th</sup> day of the 4<sup>th</sup> month of the tax year.
- B. A taxpayer who, due to a change of circumstances, first meets the requirements for filing a declaration after the 15<sup>th</sup> day of the 4<sup>th</sup> month of the tax year, shall make and file such declaration on or before the next regular quarterly tax payment date.
- C. The declaration of estimated tax shall be made on Form AR1100ESCT.

## **3. PAYMENTS OF ESTIMATED TAX.**

The estimated tax as shown on the declaration filed with the Commissioner of Revenue, Department of Finance and Administration, shall be paid as follows:

- A. If the estimated tax is more than \$1,000.00, payment thereof may be made at the time the declaration is filed or it may, at the election of the taxpayer, be paid in 4 equal installments as follows:
  - 1. One-fourth (1/4) on or before the 15<sup>th</sup> day of the 4<sup>th</sup> month of the tax year.
  - 2. One-fourth (1/4) on or before the 15<sup>th</sup> day of the 6<sup>th</sup> month of the tax year.
  - 3. One-fourth (1/4) on or before the 15<sup>th</sup> day of the 9<sup>th</sup> month of the tax year.
  - 4. One-fourth (1/4) on or before the 15<sup>th</sup> day of the 12<sup>th</sup> month of the tax year.
- B. When a taxpayer files an amendment to the declaration, the quarterly tax payments coming due after such amendment shall be adjusted either up or down to conform to the amended declaration of the estimated tax.
- C. If a taxpayer first meets the requirements and files a declaration between the 15<sup>th</sup> day of the 4<sup>th</sup> month and the 15<sup>th</sup> day of the 9<sup>th</sup> month of the tax year and the estimated tax is in excess of \$1,000.00, the taxpayer may pay the tax in equal installments with the 1<sup>st</sup> installment being due at the time of filing the declaration and an installment being due on each regular quarterly tax payment date following date of declaration. If the declaration is filed after the 15<sup>th</sup> day of the 9<sup>th</sup> month of the tax year the estimated tax shall be paid in full at the time of filing the declaration.
- D. Any tax payment due under the provisions of the declaration of estimated income tax may be paid by the taxpayer in advance of the date prescribed herein for the payment thereof.
- E. ACA 26-19-106 provides that a corporation with an estimated quarterly income tax liability equal to or greater than \$20,000 must pay the estimated quarterly income tax due by electronic funds transfer. (Refer to General Instructions, pages 4 and 5).

## **4. AMENDED DECLARATION.**

If, after filing a declaration, the estimated tax is substantially increased or decreased as the result of a change in income or exceptions, an amended declaration should be filed on or before the next regular quarterly tax payment date as set forth in section 3 A above. Form AR1100ESCT shall be used when it becomes necessary to file such amended declaration. Care must be taken to clearly mark Form AR1100ESCT as being "AMENDED DECLARATION."

## **5. UNDERESTIMATE OF TAX.**

A taxpayer who makes a declaration of estimated tax for the tax year shall estimate an amount not less than 90% of the amount actually due. Should a taxpayer fail to make an estimate on any quarterly due date equivalent to at least 90% of the final tax due, there shall be added a penalty of 10% on the amount of the underestimate. The penalty herein provided shall not be applicable if the original amount of estimated tax is the same amount shown to be due by the return of the taxpayer for the preceding year where such return showing a liability for tax was filed by the taxpayer for the preceding year of 12 months. (Refer to instructions on back of Form AR2220.) A taxpayer who has an uneven income may compute the 10% penalty on an annualized basis. Use Form AR2220A and attach to Form AR2220.
